

Saint Brendan School

February 3, 2025

A note from Mrs. Burke:

Happy February everyone! We had a wonderful week last week celebrating Catholic Schools' Week. The students delivered cards of cheer to our neighbors in the community, dressed up as a person who inspired them, and shared their hobbies and nationalities with their classmates. We ended the week with Mass and an assembly of Minute to Win It Games. Grade 5 won the Color Wars as they were creatively decked out in twenty different shades of blue. It was a fun way to celebrate and honor all the sacrifices our families make to send their children to Saint Brendan School and to praise the staff that care so deeply about your children.

This month we celebrate Black History Month. All classes will learn about the profound impact our Black Americans have had throughout history. Each day, a 6th grader will use morning announcement time to tell us about well known Black Americans and issues of cultural significance.

Later this week we will share information about re enrollment for next year as well as the seat fee deposit timeline.
