## A note from Mrs. Burke:

I hope everyone enjoyed the extra hour of daylight yesterday-I do believe spring is coming!

Congratulations to our second graders and their families. Friday afternoon the students received the Sacrament of Reconciliation for the first time. They were very excited, well prepared, and hopeful to grow closer to Jesus.

A great time was had by all, as they say, at yesterday's Mother/Son Bowling Day. Lots of good natured competition and fun!

We received a beautiful thank you letter from the Missionary Childhood Association, a Pontifical Missionary Association, thanking us for the \$545.62 our students raised in their mite boxes. This donation goes a long way in providing children in Malawi with much needed school supplies. Thank you for your generosity.

Students in each class will be attending Mass either Mondays or Tuesdays during Lent, praying the Stations of the Cross, doing acts of service, and increasing their prayer opportunities. A portion of the proceeds from the school store will be donated to organizations that help children.

Along with report cards that were distributed last week were the results of the winter MAPS testing. Do not hesitate to reach out with any questions or concerns on either.

Re enrollments are completed and we are still accepting applications for certain grades. Have a beautiful week everyone.
